wellness etiquette

To make sure you have a great time, we've put together a list of some recommendations just for you:

Make sure to get to the wellness reception at least 5 minutes before your treatment. If you happen to arrive late, we're sorry to say that but we'll have to cut your treatment time short to keep things fair for everyone.

The times listed for each treatment cover the entire length of your treatment. So, we've already included any necessary rest breaks after the treatment.

When you're booking a reservation, please let us know if you're pregnant or if there are any special circumstances. This way, we can put together a treatment plan that suits your needs perfectly.

We'd really appreciate it if you could let us know about any changes or cancellations to your appointment at least 24 hours ahead of time.

If you cancel 24 hours ahead of time, there's no fee. But if you cancel on the same day, you'll be charged 75% of the pampering treatment cost.

Our saunas and steam baths are naked zones. You can find towels in our spa area for your convenience. Please use them as a base in the sauna and to cover yourself in the areas outside of it.

For hygiene reasons, food and drinks aren't allowed in the wellness area. But don't worry! You can enjoy complimentary water, tea, and snacks at the wellness buffet in the basement.

To help create a peaceful atmosphere for everyone, we kindly ask that you silence your mobile phones and turn off vibrations while in our spa area. We also request that you avoid making phone calls.

Our sauna and steam bath areas are just for guests who are 16 and older. The spa is designed to foster peace and relaxation, so we really appreciate your help in keeping that vibe.

The kids' pool can be found at the Hotel Schweizerhof. The indoor pool is meant for swimmers. Just a heads up, there's no lifeguard on duty, so parents need to keep an eye on their little ones.

We truly hope you enjoy your time to unwind!
